What schools and community groups get out of it

- A lot of the hard work is done by Scouts Victoria. All schools and community groups need to do is focus on distributing the tickets, selling the tickets and then collecting and returning the tickets and money. We take care of the rest of the raffle details including all the great prizes up for grabs!
- As per previous years, seventy-five percent of funds raised by schools during the raffle goes directly back to that school or community group, that's \$1.50 for every \$2.00 ticket sold.

- You also get our universally recognised and respected Scouts brand on everything - a youth and community centric organisation like yours. A perfect fundraising partnership!

If your school or community group is interested in participating email us at monsterraffle@scoutsvictoria.com.au.

Why schools and community groups.....

Scouts Victoria has more than 17,000 youth members, a vast majority of them in schools. It only makes sense that we support the school system in their provision of top-quality education. That's why schools are invited to sell Monster Raffle tickets to raise money.

Scout Groups are also part of their local community so it is also appropriate that community groups are able to participate. Many of our members are involved in sporting clubs, Rotary Clubs, churches etc. Some basic screening may take place for new community groups in order for their involvement to be confirmed ie through local council register, the Australian Charities and Not-for-profits Commission.

Just some good stuff about Scouts FYI...

In June 2018 Scouts Victoria celebrated 12 consecutive years of growth in membership, but that good news means group funding is being stretched further and further to allow more kids the opportunity to enjoy Scouting so fundraising is more vital than ever. With more than 17,000 youth members and 5,000 adult volunteers in Victoria alone, registration numbers are booming.

The main aim of Scouting is to provide an adventurous, challenging and fun program to youth everywhere that teaches life skills and leadership. At the same time, Scouts always work their best to provide support and service

within their community. Participating in food drives, habitat revegetation projects, fundraising for charities and first-aid volunteering at local events are just some of the place you might see Scouts doing their bit.

With the help of fundraising activities like the Scouts Monster Raffle, Victorian Scout Groups are able to purchase quality camping equipment, attend major camps like Jamboree and Cuboree and even pay membership fees, so that no one misses out. In 2018, alone more than \$700,000 was raised state-wide by Scout Groups, schools and community groups.

If you have any questions and/or would like to register your school or community group please email us at monsterraffle@scoutsvictoria.com.au or call us on (03) 8543 9808.
